Didn't get what you wanted?
Please give us suggestions so we can help you ride longer and feel stronger.....

Original item purchased:	New item you would like:	Difference in price:

Refund(s) Defective Product (please explain below)

Refunds:

Fill out our Return Form and send it within 3 weeks of receipt (or 2 weeks after the new year for orders placed during the holiday season). For security purposes, credit card numbers expire in our system after 21 days. Only unused (not worn, not laundered) clothing with tags will be fully refunded. Items returned without tags and original packaging are subject to a 25% restocking fee. Orders over \$300.00 USD are subject to a 25% restocking fee. Shipping is not refundable. To qualify for a full refund, returns must be in the same condition as when originally sold and in the original packaging provided by the manufacturer, including tags, packaging, and accessories to the product itself. All garments must be UNUSED and UNLAUNDERED. Aero Tech Designs will **not** refund any garments that have hair or have been worn, dirtied, or washed. Please allow 7 business days after we receive your return for the refund to show up on your credit card statement.

Exchanges:

We even cover the cost of re-shipping your exchanged item(s). To exchange an item, just return it within 3 weeks of your order's ship date with this completed Return Form. Please make sure that all of the tags and original packaging are included. Aero Tech Designs will not exchange any garments that have hair or have been worn, dirtied, or washed. International orders will be shipped back via first class mail.
