

### Aero Tech Designs Bibs Have Superior Fit And Durability For Cycling.

Our bibs have superior fit and durability. This padded cycling short is an eight-panel, anatomically designed bib short that hugs the muscles for support and reduction of fatigue. Bibs keep you comfortable and dry with high quality tricot knit, four-way stretch fabric that wicks perspiration and is cut cross grain for maximum stretch and support. The bib shorts have a top shelf crotch pad which is made of long lasting, open cell foam which allow water transportation and absorbs shock without bottoming out. The pad will not harden or soften with use.
