

The Best Cyclewear You Can Get Anywhere, At Any Price!

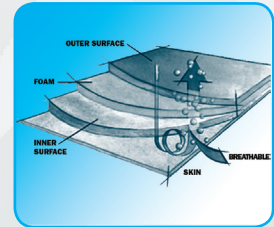

Very High Quality! A padded bicycle short with an eight-panel anatomical design fitted for the cycling position. There are no seams between the legs, so the smooth inner leg reduces opportunity for abrasion and saddle sores. Cross grain cutting maximizes the stretch performance of the spandex fabric to support muscle movement during bicycle rides. Fabric is four way stretch, 7 1/2 oz nylon/lycra, tricot knit. This cycling short is a proven performer with many loyal fans.
